REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: The prior art of record, which is the most pertinent art found, fails to teach and/or fairly suggest the instant invention. While the prior art may teach mixtures of Pigment Yellow 74 and other monoazo pigments it fails to teach the combination of such with mixed crystals of the Pigment Yellow 74 and the monoazo pigment. Accordingly the instant claims are allowable over the art of record. See applicant's arguments for a more complete detailed discussion.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Anthony J. Green whose telephone number is 571-272-1367. The examiner can normally be reached on Monday-Thursday 6:30-4:00.
